

LOSS DAMAGE WAIVER

I, the undersigned renter of a motorcycle from Mile High Rentals, LLC (“Rental Operator”), am obligated for all damage to or loss of the motorcycle while rented. In order to reduce my exposure for such damage and/or loss, Mile High Rentals, LLC offers at a cost of \$ 20.00 per day of rental a loss damage waiver that will reduce (but not eliminate) my responsibility for damage to or loss of the motorcycle. In return for paying \$ 20.00 per day of rental, so long as I fully comply with the Rental Agreement, I will be liable to pay to Rental Operator only the first \$ 2,000.00 of any damage to the motorcycle, and only the first \$ 2,000.00 in value for theft of the motorcycle or damage to the motorcycle that results in its total loss.

IMPORTANT NOTICE: The damage limitations set forth above are subject to my compliance with all of my obligations under the Rental Agreement, including the use restrictions described therein. Even if the loss damage waiver is purchased, I will be responsible for the full amount of damages to or the loss of the motorcycle if I fail to comply with all of my obligations, including all use restrictions, under the Rental Agreement. Rental Operator has provided me with several locking devices to help prevent theft of the motorcycle. **Even if the loss damage waiver is purchased, I will be responsible for the full value of the motorcycle if it is stolen or lost and I fail to use and apply all provided locking devices in the proper manner.**

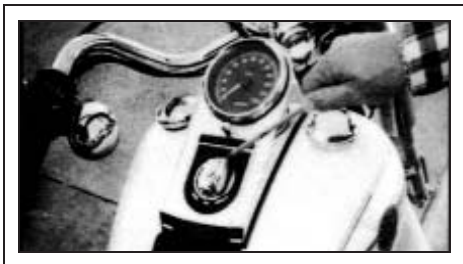

As an example only, by purchasing the loss damage waiver, if the motorcycle suffers damage in the amount of \$5,000, and I have complied fully with the Rental Agreement, I would be responsible for paying the first \$ 2,000.00 of those damages, but not the remaining amount. Likewise, again by example only, if the motorcycle (assuming it has a value of \$20,000) is stolen or is damaged in such a way as to result in a total loss and, in the case of a lost or stolen motorcycle, I used and applied all the provided locking devices in the proper manner and, in any case, I complied fully with the Rental Agreement, I would be responsible for paying only the first \$ 2,000.00 of the \$20,000 loss.

I **accept** the loss damage waiver and fully understand my obligations as described in the Rental Agreement and my responsibilities to secure and lock the motorcycle as described herein.
